

Safety & Security Committee Minutes

MYHMC Admin Building 1st Floor
401 N. Roadway Street
New Orleans, LA 70124

Date: Tuesday, December 12, 2023
Time: 5:30pm

Board Members Present:
Christopher Hammond
Keith Amacker

Welcome

Meeting called to order by C. Hammond

ITEMS

1. Public Recording Signage via Friends of West End by C. Hammond

Friends of West end wanted to ensure MYHMC was on board with signage to make the public aware of security cameras in the area. There will be filming in the actual dock area.

2. Speeding

There was concern about people going over to the actual point. The public may not be aware that the point is closed and they were speeding back and forth. We would like to get signage indicating the correct speed limit or a device that would flash and tell people how fast they're going to prevent accidents.

3. Floating Docks

There were questions surrounding whether Tulane would be able to disassembled their floating docks in the event of a storm.
